

Health Sciences
Association of
Saskatchewan

DATE: JULY 31, 2024
TO: ALL HSAS ASSESSOR COORDINATORS
FROM: AL BOUTIN, EXECUTIVE DIRECTOR
RE: ELECTION TO FILL EXECUTIVE COUNCIL SEAT

The Health Sciences Association of Saskatchewan (HSAS) Constitution and Bylaws require vacant Executive Council seats to be filled by ballot.

One of the two seats on Executive Council representing the Assessor Coordinator profession will expire this fall. The new term of this seat will be for two years and will commence immediately following the 2024 HSAS AGM.

What is Executive Council?

- Executive Council is the legislative and policy making body which manages the affairs of HSAS between Annual Conventions.

Why should I run for Executive Council?

- It provides opportunities for yourself and fellow Members to participate in the governance of HSAS and the establishment of HSAS policies that work toward the continued improvement in the Members' work environment.

Do I need previous Union experience to be an Executive Council Member?

- No. For most Members, serving on Executive Council is a learning experience. We learn together and help one another. New Council Members will also receive an orientation following the Annual Convention.

What is the time commitment?

- Executive Council meets approximately six (6) times per year.
- Time commitment will include meeting preparation, attendance at Council meetings and Annual Convention, and committee work.

Are my expenses covered?

Time:

- HSAS has an established process whereby you do not lose wages for a scheduled shift you miss as a result of attending a meeting or attending to other approved Union business. For Union or committee time that you work on a day when you are not scheduled to be at work, an hourly stipend will be paid as per the current HSAS Expense Reimbursement Guidelines.

Travel:

- Travel and other incurred expenses are compensated for as per the current HSAS Expense Reimbursement Guidelines.
